In our complex world of misunderstanding and conflict, power has become a major force for creation and for destruction. Having chosen the idea of "power" as our theme, we have tried to illustrate the creative uses of power available to us as students and as teachers.

We hope that each of you can relive the times throughout the past school year when you have used the powers available to cheer, to choose, to participate, to learn, to laugh and to live.

MR. ROBERT PRUDON, Principal

Hats off to the yearbook staff for producing another fine Anchora which will serve as a lifelong memoir of the 1968-1969 school year. I hope it will continue to remind you all of the classes, the activities, the programs, the games, the boys and the setbacks which have all gone into this past year. These pages will be a constant reminder of the importance of the learning experiences which have gone into helping you prepare for future endeavors.

It has been my aim to help provide a balanced program for you. Hopefully, it has helped to give balance to your life not only scholastically, but morally and socially as well.

I am sure that the class of 1969 will appreciate this fine record of their final year at Mason High. I cherish it as you do, and wish you God's speed as you continue to learn and to travel the roads that lie before you.

Very sincerely,
Robert Prudon, Principal

Team Power

This year Mr. Prudon has help with his accumulating responsibilities. For the first time, Mason High School has an Assistant Principal, Mr. Dexter has to cope with some of the responsibilities Mr. Prudon has handled so well in past years. He is also responsible for our expanding co-op program. Together they have enabled our school to function smoothly. The Anchora Staff speaks for the whole school in congratulating Mr. Prudon and Mr. Dexter on a job well done!

MR. DONALD DEXTER, Assistant Principal

Working Wheels of Our School

In the upper left picture is our super Superintendent, Mr. Robert Watts. Mr. Jerry Spink handles all the financial business for our schools, working with the school board, superintendent, teachers, and parents. Mr. Watts and Mr. Spink work with the members of the school board, elected by the community to produce fine schools. Below, we have, from left to right, Mr. J. Spink, Mr. R. Watts, Mr. L. Thorburn, Mr. R. Stribley, Mr. M. Lott, Mr. M. Snow, Dr. K. Kalember, Mr. R. Magel, and Mr. R. Ware.

Girls who are now and have been working in the office receive assistance in many areas of office duties from Mrs. Bartlett and Mrs. Jacob. Mrs. Zanger is helping with the work of our very fine counselor, Mrs. Elliott. With their aid, Mr. Dexter and Mr. Prudon are better able to efficiently operate our school.

Punching Power

The Buiness Department welcomed a new teacher this year, Mrs Jamie Bray, who joins the veterans of the department, Mrs. King, Mrs. Simpson, and Mrs. Cozadd. This is the first year that Office Practice-Office Machines has been offered as a two semester course. Under the leadership of Mrs. Cozadd and Mrs. King, the students have learned how to use office business equipment. The cooperation of this department in the production of athletic programs, curriculum guides and resumés, and numerous other projects has been especially appreciated this year by both students and faculty.

Language Can Destroy Barriers

Foreign language courses not only emphasize the grammar and pronunciation of languages, but also the culture which the language represents. The accomplishment of these goals would hopefully result in a greater willingness and ability to understand the people and cultures of other nations.

Attempts are being made to expand our language program into both the junior high school, and also in the high school by offering advanced language courses.

English Is Great . . .

Ain't It?

American and English literature courses are offered this year to enlarge the English Department electives. This year a trip to Stratford, Ontario to see the play, "Midsummer Night's Dream" was offered to interested students. Composition and Comparative Literature are offered to students who are college-bound, and Creative Writing attracts advanced writers who want to try their ingenuity.

Manpower

This year we have added one more man to our qualified staff of Industrial Arts teachers, Mr. Vernon Elliott. The purpose of the Industrial Arts is to prepare our students in the arts of successfully using woods, metals, and various tools. Basic Industrial Arts has changed into a three-fold course, including woods, metals, and mechanical drawing, conducted by Mr. Engle, Mr. Elloitt, and Mr. Heaviland. Agriculture is still conducted by our qualified teacher, Mr. "O" who has added a section of Conservation to his teaching load this year.

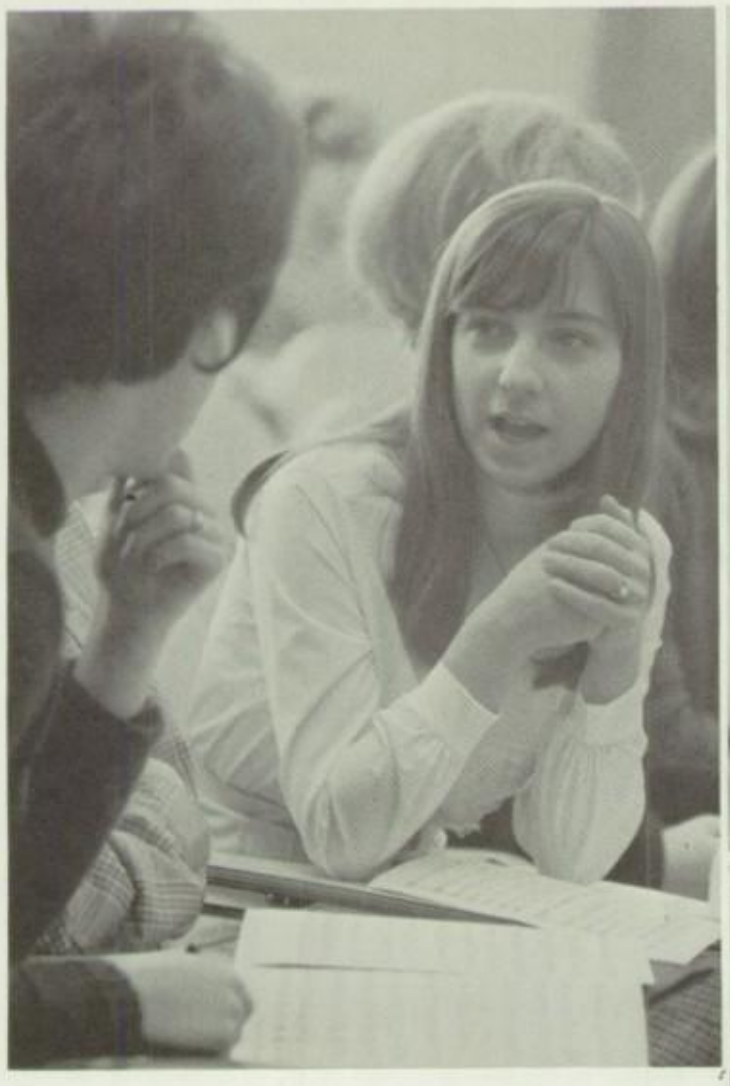
The Power of Our Talents

As talents come to our school, Mrs. Webb and Mrs. Waldron advise and supervise them as to application and skill. Art students displayed their work at an art exhibit in the fall, and entered projects in the Arts and Crafts Festival at the Civic Center. They also help construct scenery for the annual musical.

Home Economics prepares girls to be the wise homemakers of the future. They use their skills in whipping up teas for teachers at Christmastime, making clothes, and becoming proficient in home decoration and self-improvement.

When you walk into the library, you will become aware of the organizing and administering skills of Mrs. Snook and the library aides. There are many reference books and articles held in the library to help students improve their talents in studying.



Girl Crazy ... is what Mr. Emrick will be when working with Mrs. Oesterle and MHS students in the musical this year. For the first six weeks, we enjoyed having Mr. Schramm as our choral director. He is now serving in the Naval Air Corps. Mr. Murthum is patiently waiting for his band to learn the numbers for the spring concerts and festivals. The band also made its yearly appearance at the University of Michigan Band Day.

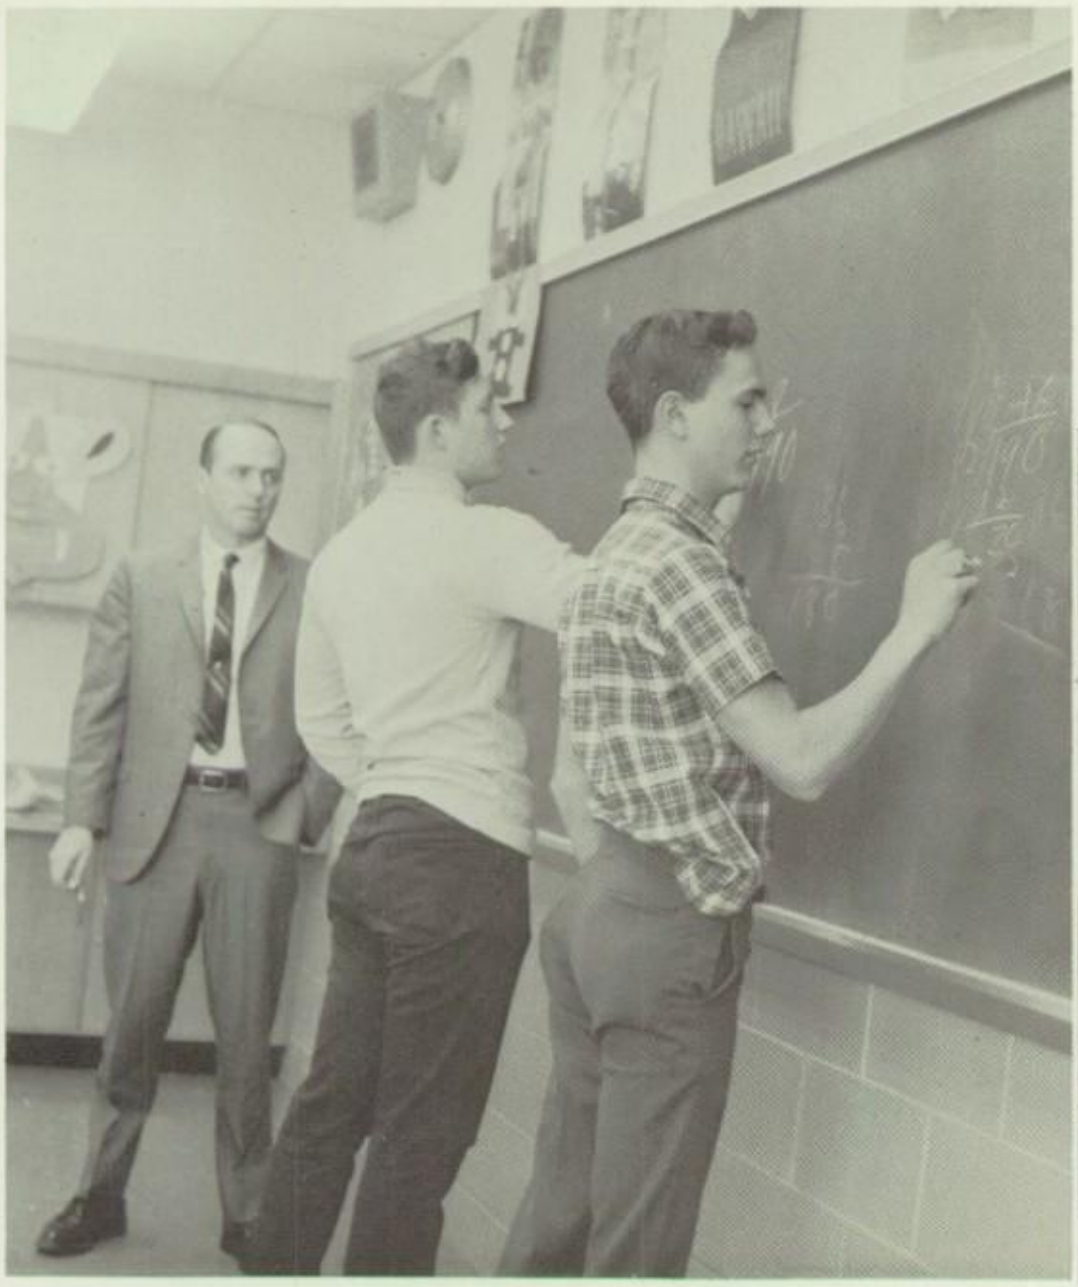
Shower Power

Physical education is important to everyone, especially as a break from the routine of lectures. We are pleased to have Mrs. Donna Webster and Mr. Bruce DePue return to instruct us. While Mrs. Webster is trying to teach our girls how to dance "creatively," Mr. DePue tries to keep his boys from sinking in the pool. Together, Mrs. Webster and Mr. DePue help to improve our coordination and physical fitness.



Power of Understanding

This spring the Special Education Department's senior class, instructed by Mrs. Dolbee and Mr. Swift, is taking a trip to Detroit's Cinerama. One of the many goals of this class is to qualify students for jobs after school is completed. Many students are on full-time and part-time work experience. They get these opportunities through the county job-coordinator, Mr. Byron Rogers. Mrs. Gary Buchman, Mason General Hospital nurse, is instructing the students in first-aid and in nursing as a profession. Some students are enrolled in vocational programs in Lansing, being trained in automotive work, electronics, and many other fields.

Without Them, Where Would We Be?

This year we have two new cooks, Lorna Tripp and Joyce Scripter, to work with Ann Laxton and Milly Pritzel, to prepare our school lunches and other special dinners.

Teachers have an obligation to prepare others to enter the profession. For this reason we often see student teachers from Michigan State in our school. From left to right they are listed with the person with whom they are working:

Cynthia Tuck—Mr. Campbell; Steve Stratton—Mr. Cone; Suezette Tyler—Mrs. Foresman; Mr. Paul Keck—Mr. Heaviland; Constance Maxson—Mrs. Webb; Mr. Wendall Ritz—Mr. DePue; Donna Hill—Mrs. Ashley.

Our janitorial staff headed by Phil Bodrie and assisted by Tom Bolzer on his left and Ed Spiel and Tom Ebright on his right have done a fine job of keeping our school neat and something of which to be proud.

68-69 Winning Coaches

Not enough can be said in favor of this year's coaches, because it was through their efforts and knowledge that Mason was able to attain the exceptional record it has this year. Much time and effort was put in by these men to form the fine Mason teams, and we feel no reward is too great for these leaders of men.

Cross Country Team Strides for Success

Senior Dennis Lockwood did an outstanding job for Mason High this year. Dennis placed fourth in the All-Capital Circuit Meet, and he was named a member of the 1968 All-Capital Circuit Team.

Wrestlers Show . . .

This year's wrestling team proved that lack of experience can be overcome by plain old determination. Mason's second year team once again brought home the winning trophy from the Dewitt Invitational Tournament, and placed second in the Fowlerville Tourney behind last year's state champ, Charlotte. Two of Mason's wrestlers proved to be outstanding by qualifying for the State Regional Tournament. Jim Engle and Larry Smith traveled to Grand Rapids for the regionals with Larry continuing to the State finals. Co-Captains this year were Dan Diller and Jim Engle.

After a season of sparse competition last year, the swimming team initiated a program of serious work under the direction of coach John Medler. This dedication paid off for them in the form of a 3-5 season. This record is very promising since there are only three seniors on this year's roster.

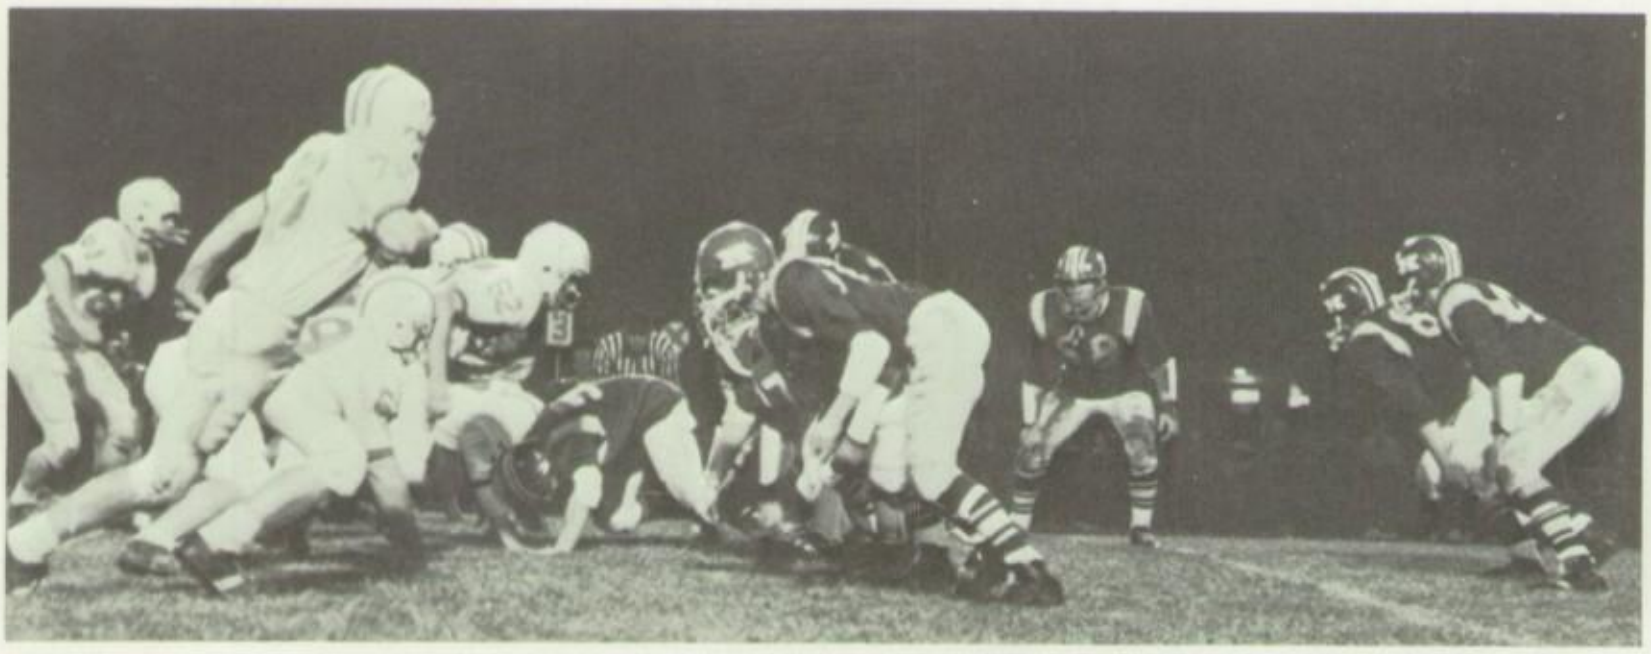
Coach Vernon Elliott studies the action as Mason rallies.

The Junior Varsity acquired a new coach this year, Mr. Vernon Elliott. Although their record is not impressive, Coach Elliott made great strides with the "little dogs" throughout the season. The players worked hard and improved with every game. They are sure to provide next year's Varsity with valuable aid.



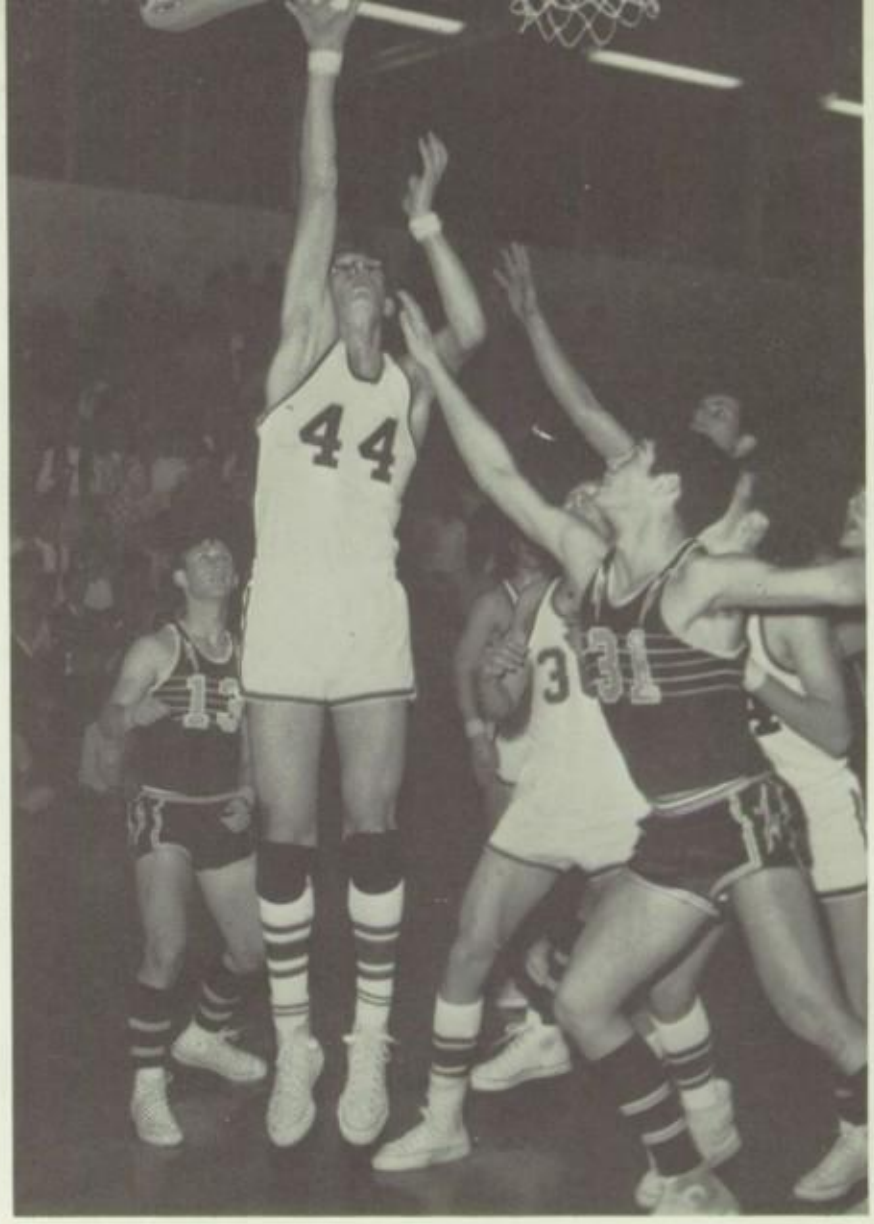
Mason had quite a football season this year with the winning of two trophies—the Holt-Mason annual traveling trophy and the Capital Circuit trophy.

What a Year —

ong with the great year in sports the students showed ceptionally great spirit with the display of many pos- s such as this one which won first prize in one of ny contests sponsored by the Pep Club.

The school's crowds weren't really lacking as this picture infers. EVERYTHING WAS ALL RIGHT since Mason victories and spirits were at an all-time high.

Mason had a fine year in basketball and proved an old saying to boot. Mason took two second places, proving the old adage that people in second place really try harder. After losing three of their first four games, the team fought an uphill battle to second by winning the next twelve of fifteen games. In tournament play we came from behind two times to overcome Gabriels and O'Rafferty before finally dropping a close one to Holt.



in Sports

Right: Mason's wrestlers added their power to this successful year by taking this trophy in the Dewitt Invitational Tourney for the second straight year.

Below: In its first year of dual meets, the swimming team really broke the ice. Five of our swimmers qualified for the state meet.

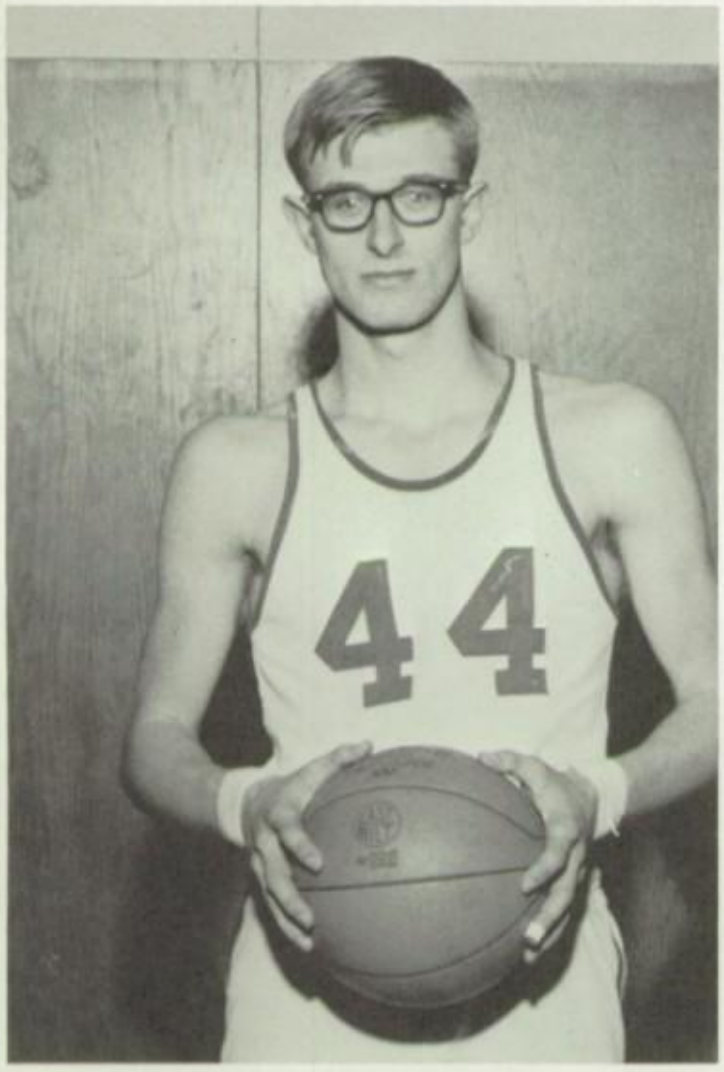
After Eliminating Gabriels and O'Rafferty Mason Drops Close One in District Championship . . .

The Class B District Basketball Championship was held at Mason this year. The tournament was probably the toughest district in the state. They included: Eaton Rapids, Okemos, Lansing Gabriels, Lansing O'Rafferty, Holt, and Mason.

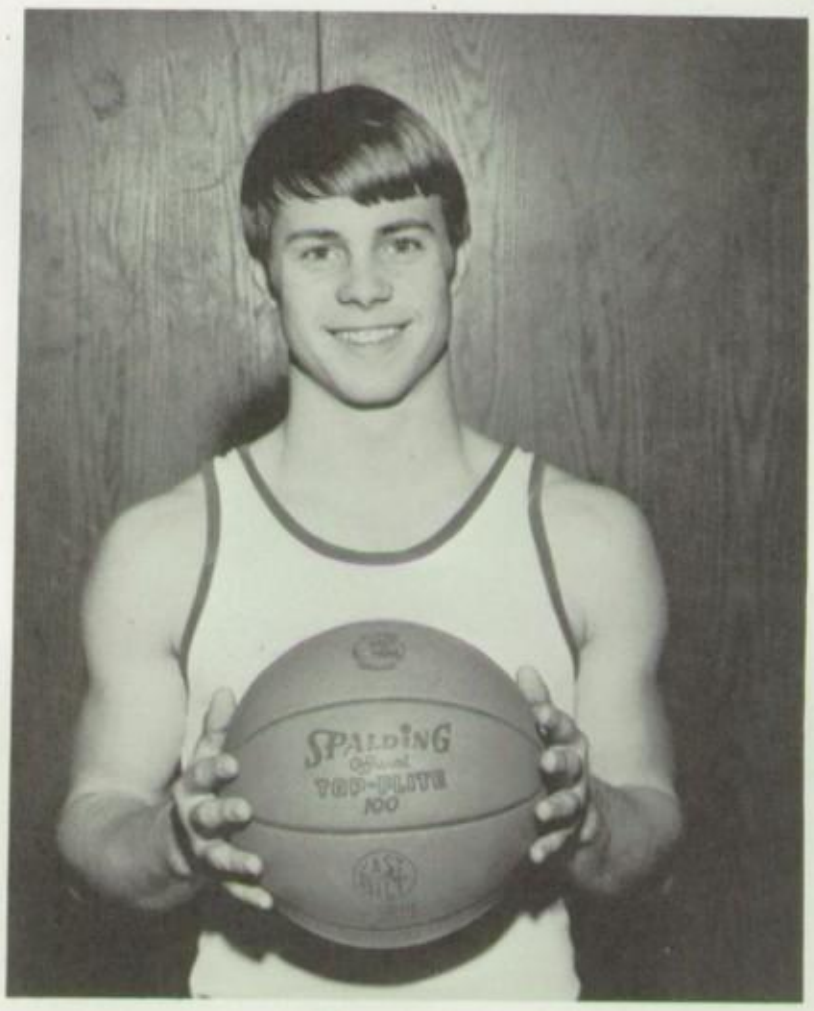
Play opened on Monday night when Holt, Capital Circuit Co-Champ downed Eaton Rapids, 76-41. Then Tuesday night Mason devoured Gabriels. Wednesday night Holt stopped Okemos, and advanced to the finals Saturday. Thursday night Mason made a brilliant comeback and eliminated O'Rafferty, 76-73, entering Mason in the finals against Holt.

The Saturday night final was quite a game. The battle went right down to the last minute, before Holt pulled out the victory, and then advanced to the Regional tournament at Waverly.

All Circuit Chooses . . . Oesterle on First Team and Webster on Second.



Marv Oesterle was selected to the 1969 all Capital Circuit team. Marv, a 6'5" center, ended his career fourth on the all-time scoring list at Mason.



Cragi Webster, Mason s outstanding guard, was selected to the all Capital Circuit League 2nd team. Craig led the team to a 16-5 record.

Student Power Persuades

STUDENT COUNCIL OFFICERS:
V. Pres. Jeff Oesterle, Treas. Mary Thorburn, Sec. Bruce Meck, Pres. Mike Beratta.

This year's Student Council has become the man of action in outside, as well as in school activities.

Our Student Council is one of the active members of the Capital Circuit Council, which is destined to promote good sportsmanship, better communications, and social affairs among schools in the Capital Circuit.

The Student Council however has not in any way forgotten its own school. It has sponsored two homecomings, numerous assemblies, and various dances.

Moreover we hope that the Student Council will continue to prosper.

The Pen Is Mightier Than the Sword

Power is the theme of the 1969 Anchora, and power is just what it has. Instead of choosing one general editor, we have chosen individual section editors to take his place, distributing the work load for all of us lazy writers. Pictures were taken by members of our own staff, assisted by a professional from Powell Studios. A camera was purchased by the staff and was operated by Steve Babcock. With Mrs. Renstrom as the advisor, the staff has worked hard to produce an accurate record of the 1968-69 school year.

The Hi-Life Staff once again took to informing Mason High about school and community events. As we are sure you've noticed, the pictures and printing are much clearer this year due to a different method of printing. The Hi-Life advisor, Mrs. Simons, hopes that new equipment may be purchased with the profits from this year's newspaper. The Hi-Life Staff, meeting 6th hour, has done an extra special job of producing our 1969 school newspaper.

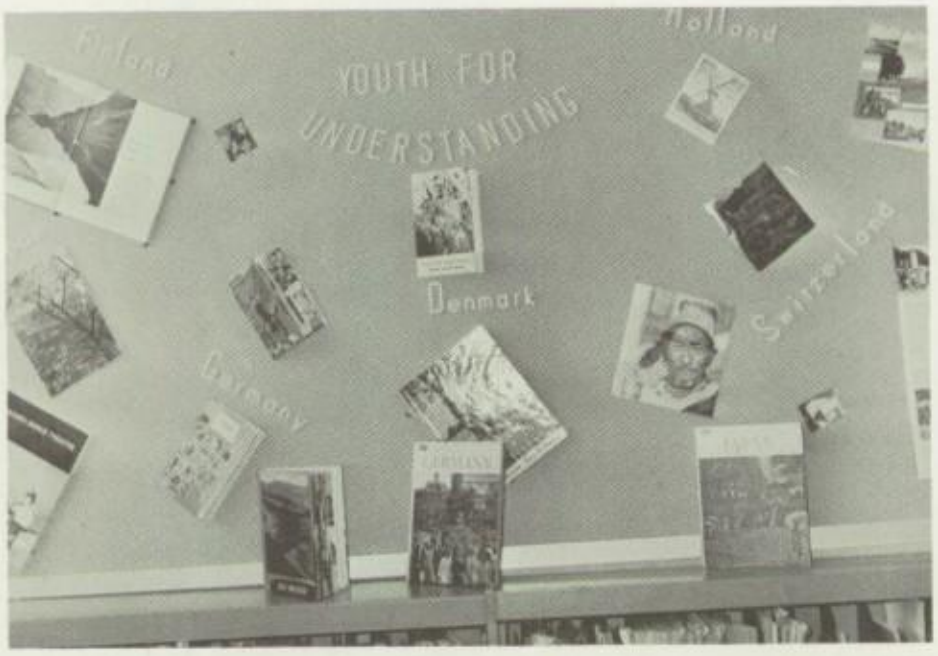
Youth for Understanding

Youth for Understanding is the organization that brought Anneliese Plache to Mason Senior High School from Germany. Mason High is proud to have Anne with us this year and we trust she will not forget her American friends for it is the youth that make for understanding.



Front row, (l.-r.) Kris Chandler, Rex Bolton, Cathy Deeg. *Back row (l-r.)* Pam Edgington, Nancy Benson, Doreen Ensign.

Youth for Understanding will sponsor six Mason students this summer. Nancy Benson will travel to Switzerland, Rex Bolton will travel to Japan, Chris Chandler will travel to Denmark, Cathy Deeg will travel to Germany, Pam Edgington will travel to the Netherlands, and Doreen Ensign will travel to Finland. These six students will represent the United States for eight weeks abroad and will continue the pattern of understanding.

Despite the image M-Club initiation gives our Varsity Club, it stands for much more. Their purpose is to promote pep and other school-sponsored activities. Membership has doubled this year and now stands at 56! Red sweaters are a new innovation, too. A sampling of their activities are their slave sale, they usher at the basketball games and sell popcorn, and take a trip at the end of the school year.

Pride Is Winning a Varsity Letter

Service Backs Education

We would like to mention that our A.V. personnel are students who are the custodians and technicians of the audio-visual equipment in the school. These students provide a very meaningful service to the school by assisting teachers to use the many instructional medias available to us. During the school year the A.V. technicians spend many hours in setting up the lighting and amplification systems for our assemblies, plays, ball games, dances, and wrestling and swimming meets.

The Student Librarian Assistants' Association of Michigan (SLAAM) has an active branch within Mason High School. Their purpose is to further the knowledge of M.H.S. librarians in state-wide modern techniques and facilities. They participate in conventions at both M.S.U. and U. of M. Further activities include a dinner, and a trip to a book bindery.

We wish to recognize both organizations for their services which have added so much meaning to our education and enjoyment.

Drama Club Increases Membership

Mason dramatists under the direction of Miss Tamra Dole presented an evening of one-act plays on December 12. All students were encouraged to try out for the roles in the following productions: *Some of My Best Friends*, and *She Was Only A Farmer's Daughter*. In addition, Jennifer Carrier presented a reading of *The Littlest Angel*. Dawn Jacob and Charyl Dietrich served as student directors, and all proceeds went to the Drama Club.

Wins Second Place

The Drama Club is made up of a group of students interested in the art of dramatics. They are sponsored by two very qualified advisors, Mrs. Oesterle and Miss Dole.

Halfway through the first semester the drama club sponsored an all school play (or plays) in which all students were eligible to try out.

The Drama Club has its own slate of officers which consists of: Pres. Beth Duke, Vice Pres. Bob Beratta, Sec. Holly Stribley, Treas. Dawn Jacob. These students take care of all the affairs of the club through the guidance of their advisors.

Later in the year the Drama Club will help on the production of the musical.

A Fairy Tale Comes True

Pep week initiated the 1968 football homecoming festivities. Sophomores and juniors combined their pep days, while seniors "rang out a victory" on Thursday by carrying all manner of bells. Friday, all-school pep day, found all loyal Bulldogs garbed in the traditional red and blue. Omitting the parade through Mason was a new tactic this year and saved tremendous wear and tear on the floats and our court. Cars were furnished by Mason's generous citizens. "Midnight Magic" was the theme of the seniors' first place homecoming float. Sophomores and their "Thumbs Up for a Victory" followed the seniors. Pep Club's entry, "Mason's Feet Fit the Victory Shoe" won third place. Festivities were climaxed by the sinking of the Haslett Vikings' ship by a score of 20-7, and all celebrations adjourned to the homecoming dance.

The homecoming dance reflected the week's theme of fairy tales. By using balloons and two gigantic crowns placed on either side of the court, the gym was transformed into the land of make-believe. Music by the Ferraris enhanced the atmosphere of a celestial evening, and as the clock struck midnight, the court and its admirers were transported back to reality after a winning game and an evening to remember.

Pep Power

Both the Varsity and Junior Varsity cherleading squads contributed greatly to the spirit of the football games and pep rallies. This year the Varsity cheerleaders added another activity. They accompanied the Cross Country team and cheered them to victory. The Varsity squad also for the first time wore their new uniforms with a vest to wear instead of sweaters during school hours. Both the squads demonstrated skill and ambition.

Active in Many Ways

Development of leadership, Citizenship and co-operation stand foremost in the minds of Mason's Future Farmers of America. In addition to their annual game dinner for members and their families, and the collecting and bottling of maple syrup each spring, they participate in various contests and are judged in such areas as soil, dairy, livestock, mechanics, forestry, demonstrations and public speaking. New this year is their pig co-operative which is proving to be a most profitable venture.

Power for the Future

The Future Homemakers of America feel their main purpose is to promote a growing appreciation for the joys and satisfactions of homemaking. This year they created over 200 stuffed animals and distributed them to needy children at Christmas time. In addition, they made favors for hospitals to use on the meal trays during the holiday season. Still another activity they participated in, this time to make money, was the selling of cookbooks and stationery.

The Art Club tried something new again this year. During November, they turned the teachers' cafeteria into a student "museum," displaying work done by the advanced art students to the faculty and to the student body. Again this year they are selling hot dogs at the basketball games to make money for their annual trip. The Art Club is in charge of the scenery for the all-school musical and the art work for the Mosaics Literary Magazine.

Arts Students Paint "The Scene"

The Basic Industrial Arts Association provides an opportunity for students interested in industrial arts to participate in group activities. This year they can participate in open shops, field trips, and club recreation nights. At present they are working on various service projects, such as painting goal posts and the broadcasting booth in the gym. Possible spring money-making projects are being considered.

The desires of the French Club vary somewhat from those of the other language clubs. Their purposes are to learn about France and to just have fun! Their annual Grape Festival was held on October 23, with Anneliese Plache reigning as queen. A sliding party was held on January 13 just for fun. By sponsoring dances and other money making projects, the group hopes to travel to Montreal during spring recess.

Language Is the Power of Understanding

The Spanish Club aims to increase the understanding of and enthusiasm for Spanish speaking countries in a non-classroom atmosphere. This is accomplished through slide programs, lectures by speakers from M.S.U., and a Spanish dinner. A trip to the International Fair at M.S.U., is planned for May.

As members of the National and Michigan Classical Leagues, the Latin Club strives to foster interest in the classical civilizations and their contributions to modern civilizations. Their activities extend from attending the state convention at M.S.U. in March to assisting in the financing of scholarships for college students interested in becoming Latin instructors.

Shakespeare Lives for Youth

With the addition of new English classes come additional benefits. This year the Shakespearian students took a chartered train with several other area schools to Stratford, Ontario, Canada, to view the drama by Shakespeare, *A Midsummer Night's Dream* during the 1968 Shakespeare Festival there. Accompanied by Mrs. Zachariah and Mrs. Snook, the group left early in the morning, before school, lunched on the way, acclaimed the play, dined at the Victoria Inn and returned late in the evening, missing one whole day of school.

How Sweet She Is!!

The atmosphere of a Grecian garden surrounded the 1969 senior-sponsored Sweetheart Dance. Silver trees, graceful columns, and miniature statues blended with the mood. The Rogues provided the music. New this year to the annual semi-formal dance was a Sweetheart, chosen from the student body. Our Sweetheart of 1969 was Miss Nancy Goss. She was attended by a court consisting of Sally Johnson, Denise Bibbins, Chris Kinney, Sally Franklin, Pat Pollok, Debbie Bartlett, Jennifer Carrier, and Patt Clipper. As each member of the court was announced, she stepped through a gigantic pink heart to receive her tribute.

Bulldog Spirit Brightens Winter Homecoming

The Winter Homecoming Dance was almost an anti-climax to the contest with our arch-enemy, Holt. The game ended in over-time and Mason was victorious with a score of 79-75. The dance took place in the cafeteria, decorated with colored streamers, while the royal couples danced the evening away to the music of the Rogues.

The cheerleaders are one group in our school which is taken for granted until it isn't there. However, they never let the school down. They are continually thinking of new ideas to spark up spirit in our school. This year they sponsored a contest for the cutest baby picture of the boys on the varsity basketball team. Rick Smith was the ultimate victor. This year's captain is Chris Bartlett. We would like to say thank you for a job well done.

DART NATIONAL PRESENTS:

SOMETHING OLD

368 S. Jefferson 677-3661

SOMETHING NEW

(Dart National is Graduating Too!)

Corner of W. Ash and S. Park Streets 677-3661

DART NATIONAL BANK

Our educational loan officer—with a "soon to be" college student.

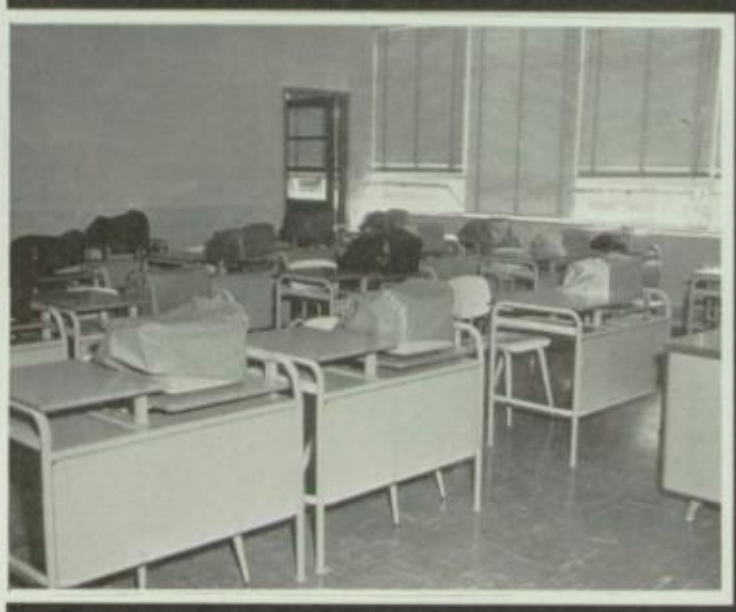
SOMETHING BORROWED

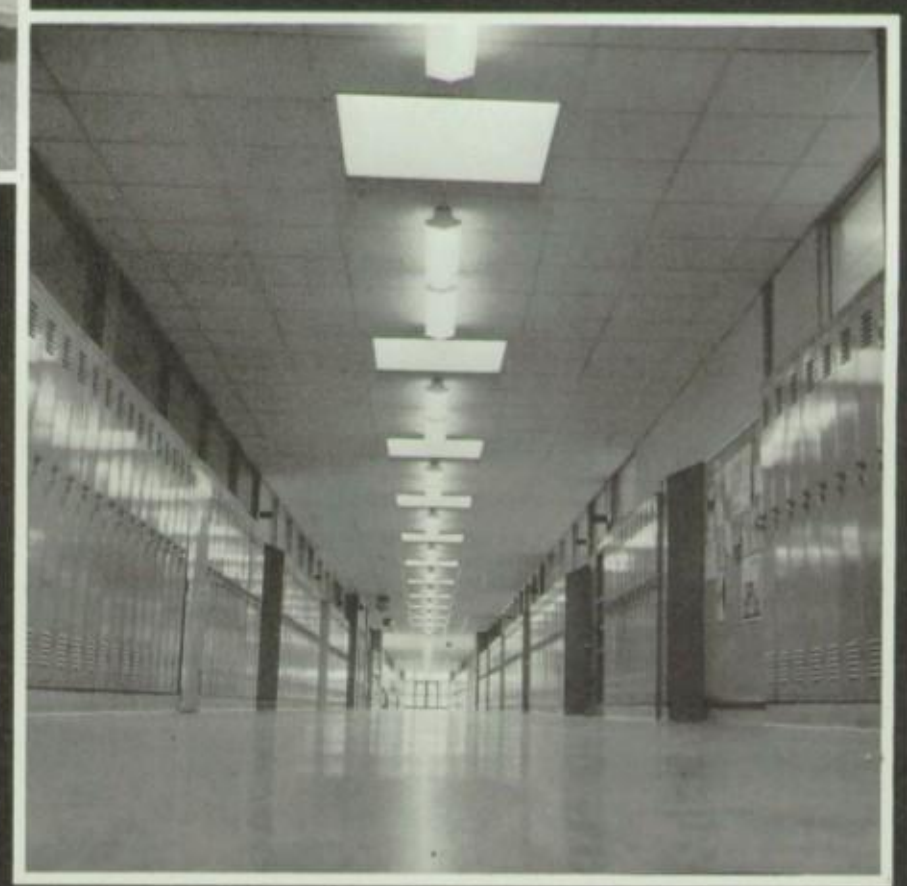
SALUTES THE CLASS OF 1969

Our Friends! Members of the Class of 1969! Your forthcoming marriage to Dart National Bank may be the BIGGEST thing that ever happens—for BOTH of us! We are PROPOSING to you, here and NOW! From the marriage date ON, we promise to love, honor, and keep ALL of your financial affairs—IN THE PINK!! Be it your budget—your need for an education—a loan—a new car—or ALL of these things! Won't you say YES???

SOMETHING PINK!!

If you give a man a fish —
He will have a single meal:
If you teach him how to fish —
He will eat all his life.





's been fun, games, and dances —
's been work, study, and classes —
's been all this at one time —
's been the best of . . . 69.
